Brother Parks opened his remarks by welcoming the four new initiates of the Alpha Pi Lambda chapter. He continued by saying that he was pleased with the progress made by the chapter as a whole, with several details that needed to be cleaned up being addressed in a move toward a high-functioning chapter.

Chapter dues are due as soon as possible, and Grand Tax due for brothers who aren't Life Members on November 15. Brother Richardson will send all payments that he has received for Grand Tax to the Corporate Office this week.

Finally, all active brothers were encouraged brothers to join at least one committee. All active brothers were also encouraged to reach out to an inactive brother and bring him to a future meeting or chapter event.

## **Committee Reports**

### **Budget and Finance Committee (Brother Napoleon Richardson)**

Brother Richardson distributed copies of the proposed budget to the chapter. Following discussion, the following adjustments were made:

- The chapter's income of \$12,580.00 would have expected outlays of \$12,580.00, leading to a zero sum budget.
- The current budget has allowed for delegate strength of four, and it needs to be raised it to five.
- Expenses for both the Science Fair and Repasts should be removed: the Youth Life Skills Institute will cover the expense for the Science Fair, and brothers will be responsible for the Repasts on their own accord.
- The LDCEI will be budgeted under the Education Committee and funded by way of the Youth Life Skills Institute.

Revised copies of the budget will be sent by e-mail for the review of the chapter. A **motion** to adopt the budget with revisions from today's meeting will be brought forward at December's meeting.

#### ***Founder's Day Events (Brother Victor Isler)***

(Brother Isler sent the following report that was shared by Brother Christian Burriss.)

Due to the chapter vote to cancel the Founder's Day Ball, this year, a committee was established and the following was determined:

- Alpha Pi Lambda will worship together on Sunday, December 3 at [Grace Presbyterian Church](#). Brothers are asked to please pay \$10.00 in an effort to present a donation to the church.

- Alpha Pi Lambda will hold a private Founder's Day dinner on Monday, December 4 at [Bleu Restaurant](#) in their private dining room at 6:30 p.m. The event will be limited to brothers of Alpha Pi Lambda and its affiliated undergraduate chapter brothers only. The chapter will provide appetizers and cocktails, and entrees will cost between \$18.00-35.00 per person. The chapter proposes to pay for the college brothers' meals, and we would need to vote on this proposal. An RSVP e-mail is forthcoming.
  - Brother Parks added that since the chapter had already budgeted for a Founder's Day event, a vote to cover the meals of the college brothers would not be necessary.
